

F2B World Champs podiums

Pictures are from the WC in 1986 Pécs, Hungary.

Above left: Paul Walker reached the podium for the first time. Super Tigre 60 for power.

Above right: Silver medalist Zang Xiandong.

Luciano Compostella ITA (Bronze medalist in 1978) must be the record holder of F2B participation at the World Championships. He participated the first time in 1960 and his last was in 2002! Luciano was also seven times European Champion, twice European Team Champion, and twenty-three times Italian Champion! Sadly, he passed away in 2013 at the age of 79.

World Champion 1986 Anatoly Kolesnikov with his beautifully finished KA10 model at the European Championships 1989.
